## A BUSY BUT REWARDING FIRST TERM AT HKHS

As we near the end of Term One I can certainly say that the school year is well underway, and for Henry Kendall High it has been a very hectic, but really positive term. The past weeks have been characterised by numerous excursions, excellence on sporting fields, strong achievements in the Lions Youth of the Year, visits from our local member, our Coast Shelter Sleep-out, demanding assessment tasks in the senior years, fantastic selection into Art Castle and in the Young Women’s Leadership Academy, recognition and celebration of our cultural diversity in our Harmony Day event, intensive evaluation of teaching strategies and curriculum development by staff, our School and Zone Swimming Carnivals, Study Skills days, Wellbeing Days, Year 7 Camp, many Parent Information Evenings, Year 12 examinations, a huge range of construction projects as we move to the final weeks for completion of building works, and projects with our partner schools – never a dull moment!

## A BIG WELCOME TO GOSFORD PUBLIC SCHOOL

Term 2 will bring about one of the biggest changes to occur at Henry Kendall High School. Although it feels as though it has been a long time coming, Term 2 will see Gosford Public School finally start on our shared site, and with it a new chapter in our school’s history. Whilst we will quickly get used to having younger students ‘next door”, it is a great opportunity for our three schools (Henry Kendall High, Gosford Public and Point Clare Public) to embark on a range of projects that set our learning community apart as having a real and genuine K-12 focus. The prospects this will bring for educational opportunities within and beyond the curriculum are exciting – shared teachers, student leadership, professional dialogue between teachers about teaching and learning, access to specialist classrooms and enhancing our sense of community. These are just some of the many areas a vibrant learning community is built on, and we excitedly welcome Gosford Public School to Faunce Street and to Henry Kendall High.

## OUTSTANDING ESSA RESULTS

Our 2013 ESSA results were recently released and are again solid. ESSA is a national examination of all Year 8 students in areas of scientific study. Henry Kendall High had 45.4% of our students performing in the top three levels. Well done to our students.

## 2013 ANNUAL SCHOOL REPORT AVAILABLE ON WEBSITE

Our 2013 Annual School Report has recently been completed and is available on the school website. The Annual School Report is a comprehensive examination and evaluation of the school across the last twelve months. It outlines our achievements (individual student and whole school), our progress on our targets, evaluates aspects of our management and curriculum, and sets targets for the coming year. I recommend it to all parents interested in learning more about our school.
In past weeks we conducted an Information Evening for parents of our partner schools, Gosford Public and Point Clare Public, with children in Years 4, 5, and 6. This evening was an opportunity for parents to be introduced to the Henry Kendall family and to learn a bit about our wonderful school. It was strongly represented with over 100 primary school parents in attendance. Feedback indicated that parents are keen to engage with Henry Kendall High even before their children are enrolled, and that we continue to support the needs of our community. A number of exciting projects we are planning with our partner schools throughout 2014 will further reinforce these links and the opportunities we are providing students.

Mr Andrew Backhouse, Principal

**DEPUTY PRINCIPAL NEWS**

**YEAR 12 KEEPING ON TRACK**

The Year 12 Mid Course exams were held at Gosford Racecourse during Weeks 10 and 11 of Term One. The majority of students were well-prepared but teacher feedback at the beginning of Term Two will help frame their current stage of development towards their HSC goals. Please contact individual teachers or Ms Keft, Year Adviser, if you have any concerns. The Senior Parent Teacher Evening will be held in Week 6 on Tuesday 3 June. The Senior Executive will also be interviewing each Year 12 student individually during Week 5.

**NAPLAN TESTING**

- Ensure that a calculator is available
- Discuss with your child the importance of each student performing to their personal best
- Discuss the importance of attempting and completing ALL sections of each paper.

UPDATE ON SENIOR ASSESSMENTS

YEARS 11 AND 12

Term 1 has been a busy term especially with Year 11 beginning their Preliminary year for their HSC pathway, and Year 12 already half way through their HSC year. The rigor of senior study is very different to the junior school and, for some students, the senior course can be a challenge.

Henry Kendall High School has a detailed assessment policy in place to support senior students. A copy is available on our website. Both Year 11 and 12 were issued with these at the beginning of term. Some key points for students and parents to remember in relation to the Assessment policy:

- All students are to sign for the assessment book and retain a hard copy.
- The Assessment Policy is also found on the school website.
- Misadventure: in the event of a major illness or problem occurring students must see the DP Curriculum as soon as possible. The student MUST see the DP their FIRST day back at school to apply for a misadventure and submit appropriate paperwork. A medical certificate or statutory declaration needs to be submitted with the paperwork for the task mark to be counted. Examples of the documentation needed are found in the Assessment policy.
- Technology glitches are not a valid reason for misadventure. Students must be organised and have a backup plan of using a USB to back up their work and printing at school if the need arises.
- It is also a good idea to map tasks on a calendar or organiser so that they have a visual reminder of what is needed for time planning.

Thank you to our parent community for your ongoing support of this important process.

Congratulations to Year 12 on your conduct and application during the mid term examinations. You are all a credit to our school - well done!!

STAGE 5 (YEARS 9 AND 10) ASSESSMENT BOOKLET

Years 9 and 10 have been issued with their assessment booklets for this year. I ask parents to take the time to look at this document with your son or daughter and use it as a planning tool. This skill assists students with time management and also helps prepare them for the rigors of assessment planning in the senior school. The assessment schedules are also published on the school website.

SCHOOL PRIDE

How a uniform is worn by students shows pride in themselves and our school, especially in our wider school community. The school’s focus on uniform continues in 2014 and students are supportive. Thank you to our parents for supporting our school and doing your best to ensure our students are in full school uniform every day.

With winter approaching please be aware that the school jumper must be worn and the hooded jumpers are not allowed at any time. In addition, track suit pants, black or any other colour, are not to be worn. Girls are able to wear black stockings with their skirts or black tailored pants. Boys can wear long grey pants.

There is a transition phase occurring with the school’s uniform supplier. We’re Sportswear is the school’s current supplier of the uniform in addition to Lowes Menswear. Please access the suppliers in person here at the school or online for uniform orders.

Year 12 jackets have been ordered and should be in the school early Term 2. For 2014 and onwards a decision has been made for Year 11 to have access to the senior jacket for both senior years. A reminder to Year 11 students and parents, the deposit for the jacket ($40.00) is due by the end of Week 1 Term 2 (2 May 2014). Final payment for the Year 11 jackets will be Friday 23 May 2014. For the interim, Year 11 students have been given permission to wear their junior blue jumper. Alternatively, the senior green jumper can also be worn.

To all our students have a safe break, rest up and we look forward to seeing you all back for another busy Term 2.

Ms D Loveridge – Deputy Principal Years 7, 9 and 11.
GIFTED & TALENTED PROJECT

Time to Embrace Creativity

Henry Kendall GaTS project nominations are being considered in Term 2. Any student who has a talent or interest that they would like to work on through Term 2, see Mrs Wearne in the Secondary Studies staff room for a proposal document and letter. Staff nominations are being processed Week 11 of Term 1. Good luck!!

EUROPE HERE WE COME!

We departed for Europe on Saturday April 5 and by the time you are reading this we will be somewhere in Europe. We would like to thank everyone for their help in making this trip possible. We are particularly pleased that we are able to represent both the Gosford RSL Sub-Branch and the District Scouts at commemoration services while on the western Front. A full recount of our trip will be in future newsletters in Term 2.

Below are some of the sites we visited in Sydney during one of our training days.

SPORT REPORT

Term 1 has been a very busy time with students starting new weekly sport, attending School, Zone, Regional and CHS Swimming and lots of knockout teams representing the school. We have had students playing Volleyball, Softball, Basketball, Football, Futsal, Netball, Water Polo, Cricket, Rugby League 7’s and Lawn Bowls. There have been mixed results with some teams knocked out first round and other teams progressing to round 2, but all of the students have enjoyed representing their school and meeting students from other schools. Many thanks to the coaches and all the teachers who cover classes because, without them, students would be unable to enjoy these valuable experiences.

Term 2 will be equally as hectic with students selecting a new sport for Tuesday afternoons, and competing in the School Cross Country and Athletics carnivals and the ensuing Zone and Regional Carnivals. Could parents please remind students to return all notes and money promptly.

DATES TO REMEMBER:

- **Term 2 Sport** – notes and money due to Front Office by Friday 2 May (Week 1 Term 2)
- **School Cross Country** – Friday 2 May, all Year 7 and 8, PASS and SLR classes will be attending, as well as other competitors who sign up. **ALL students who are attending need to return $3 bus money and note to Front Office before Friday 2 May.** Students attend Roll Call and Period 1 as normal, then school for Year 7 and 8 and other competitors will be at Adcock Park for the rest of the day.
- **School Athletics Carnival** – Friday 16 May. Details will be sent home early next term.

Finally, best of luck to Matthew Cuthbert, Ben Kemsley and Laura Ghali, who will be competing in CHS Swimming between 6 – 8 April. Laura will be competing in 8 events, which is an amazing effort.

*Julie Starkey, Sport Organiser*
On Friday 28 March, HKHS Under 14 and Under 19 girls futsal teams competed in the Central Coast Northern NSW Futsal Championships knockout competition at the Peninsula Leisure Centre, Woy Woy. The Under 14 girls team won three of their four games to advance to the finals. Despite a ‘neck and neck’ battle up until half time, they narrowly lost the final to Terrigal High School. Congratulations to the U14s on achieving runners-up and advancing to the State competition.

Our Under 19 girls (all under 16 years old except for 2 players) played one other Under 19 team and four games against Under 16 teams. Despite a lack of competition in the Under 19’s category, the girls showed unbelievable self-discipline and skill to totally outclass all of their opponents and win every game (most games by double figures). Well done girls on winning the competition – they now also head to the State competition.

Above: Under 19 Team members: back row from left to right: Tiphanie Thackray (on crutches), Layla Leccas, Tahlor Thackray (C), Georgia Davis and Elyse Tully. Front row: Jade McAtamney, Emily Boelhouwer and Jessica Davies.

It was fantastic for the girls to have the support of so many parents and siblings on the day. As always, our girls showed terrific “sportsmanship” and, whilst there were some outstanding individual performances, every single player in these two teams gave 100% effort and cooperation.

I would like to extend a special thank you to Mrs Marianne Dowzard, without whom it would have been impossible to take two teams to compete.

Kent Silver, Futsal Coach

HKHS SPECIAL EDUCATION ANNOUNCED 2014 SENIOR SWIMMING CARNIVAL CHAMPIONS

Henry Kendall Special Education students attended the annual senior swimming carnival for students with disabilities held at the Northcott Sports Centre in Ryde on Tuesday 25 March. Ten students competed in a selection of events, placing in most of them, and demonstrating exemplary sportsmanship and enthusiasm. Students were competing against students from all over Sydney and we are proud to announce Henry Kendall High School was pronounced “2014 Senior Swimming Carnival Champions” of the Carnival. That was the icing on the cake for a hugely successful day, and we would like to thank all those involved for making this day a success.

YEAR 9 KITCHEN RULES

As we approach the end of a very busy term, Year 9 Food Technology have had the opportunity to demonstrate their expertise in practical lessons. In Week 10, both classes were given the challenge of preparing set dishes from various countries around the world. Each group drew the name of a country from a hat and was given a recipe for a dish from that country. Students prepared dishes as diverse as Shepherd’s Pie to Moroccan Meatballs and Couscous. The classes had only an hour to prepare and present their dish, including presenting the dish authentically. The students acquitted themselves admirably. The level of teamwork amongst the students was impressive and the students' management skills were beyond that which would normally be expected for Year 9 students. Congratulations Year 9 Food Technology students!
CREATIVE AND PERFORMING ARTS (CAPA) NEWS

HAVING FUN IN DRAMA

Welcome to our new students and parents who are new to the CAPA family. Often I hear or see a parent’s face going ‘ooh you’re doing drama, are you sure?’. However, drama is a great medium for all styles of learning. Dramatic play permits our students to fit the reality of the world into their own interests and knowledge. One of the purest forms of symbolic thought available to children, dramatic play, contributes strongly to the intellectual development of children (Piaget, 1962). Dramatic play includes role-playing, puppetry, and fantasy play. It does not require interaction with another person. Socio-dramatic play is dramatic play with the additional component of social interaction with either a peer or teacher. Creative dramatics involves spontaneous, creative play. It is structured and incorporates the problem solving skills of planning and evaluation. Children frequently re-enact a scene or a story. Planning and evaluating occurs in creative dramatics. All of these types of dramatic play have begun in the world of the Drama room over the past 11 weeks.

Years 9 and 10 have been experimenting with improvisation and play building, learning to create and develop their own imaginings into structured performances. They have been working together, collaborating and shaping their ideas. It has been exciting watching the outstanding ideas being theatrically explored, such as risk taking in youths, through to inner journeys of inanimate objects.

Year 11 has moved into learning about acting theory and working with Stanislavski’s methods for actor training. The application of these concepts to their play builds was beyond what any teacher could ever have asked. It was brilliant to watch and they were amazing.

Year 12 are into the tricky stage of balancing their Individual Projects and theory component. As a whole they are a very competitive and supportive family of each other, and I know they are all excited about moving into HSC Group Performance next term. I can’t wait to see them play again with their own ideas. Have a great Easter and see you in the new term.

Mrs Rebecca Cooper, Drama Teacher

WHAT’S HAPPENING IN VISUAL ARTS

Years 7 and 8 have been learning drawing techniques and Year 8 have completed an organic nature design with illusions of 3D objects and depth. Year 9 VA has examined a “nature” topic and completed a realistic drawing, a nature design investigating a variety of drawing and watercolour mediums and printmaking with lino or scratch foam. Some of the best results are included. Jasper Duff (below) has been exploring a variety of surreal and expressive portraiture ideas with some pleasing results.

Year 12 Body of Works are progressing well but the next few weeks are crucial for completing the bulk of the project during the upcoming school holidays. Students should be putting aside quite a few days over the next few weeks to concentrate on major artmaking.

YEAR 10 SUCCESSES

CONGRATULATIONS TO FIVE STUDENTS BEING ACCEPTED INTO ARTcastle

The year has begun well for Year 10. One of the highlights has been five of our students being accepted into ARTcastle. Only twelve students from a range of regions are accepted into this course. The students (SeokYoung Inn, Ashley Cooper, Sharmila Schumacher, Margarita Mokrova and Emelia Gibson) will have the opportunity to spend three days working with professional artists as they explore and develop their own creativity, imagination and potential. The workshop will conclude with an exhibition. We thank The Smith Family for providing students with this opportunity.
YEAR 10 RECEIVE PRINCIPAL AND YEAR AWARDS

Jarrod Thomas is the first Year 10 student to receive a Principal's Award this year. He is to be congratulated for his fantastic effort and behaviour. The following students are also to be congratulated for receiving Year Awards this term: Vladislav Efremov, Rachel Thompson, Matthew Cuthbert, Ashley Cooper and Demi Rutter.

YEARS 10 & 11 ATTEND LECTURES ON THE ASPECTS OF SAFE PARTYING

Recently, we also had members of the local LIQUORACCORD present a series of lectures to Years 10 and 11. They discussed aspects of safe partying and consequences of liquor abuse.

Ella Whelan has won a prize for her suggestions about ways of reducing anti-social behaviour and violent acts.

MATHS CLUB TO RECOMMENCE IN TERM 2

The Maths Club will begin on the first Wednesday back next term. A dozen students will take advantage of another program initiated by The Smith Family. They will attend Maths tutoring after school each Wednesday in Terms 2 and 3.

HKHS VET TEAM COMMENCE TRAINING IN NEW QUALITY MANAGEMENT SYSTEM

Our VET Team commenced training in the new Quality Management System with the Relieving Senior Pathways Officer last week. This new system will be used for the administration of all of our school delivered VET courses.

HKHS PLACES 6TH IN 2014 SCIENCE AND ENGINEERING CHALLENGE

Twenty six Year 10 and four Year 9 students competed in the annual Science and Engineering Challenge held at the Narara Youth Centre. Our students gained valuable skills in team building and cooperative design in a stimulating and fun series of activities. Teams were allocated to three whole day events or a mix of half day activities in teams of 3 - 4 students. The day culminated in the testing of the bridge building event.

While we were successful in the bridge building event, gaining maximum points, we had varied success in other events. We achieved a number of 2nd and 3rd places, coming 6th overall in a tightly contested finish. Our thanks to the University of Newcastle and their major sponsor Ausgrid for the opportunity to compete.

KIDS LOOK TO US TO KEEP THEM SAFE PARK LEGALLY IN SCHOOL ZONES

Parking Restrictions Outside Schools

Gosford City Council would like to remind parents of parking restrictions outside your school. Please pay close attention to the signs outside your child’s primary school and watch your speed when travelling through all school zones.

In the past, issues of parents parking incorrectly when dropping their children at school include:

- **Stopping in a NO STOPPING ZONE**
- **Stopping is NOT permitted at any time.**
- **Stopping in a BUS ZONE**
- **Stopping is not permitted during the times shown on the sign.**

**DOUBLE PARKING**

You are not permitted to stop OR park alongside another vehicle already parked parallel to the kerb.

**Parking in a NO PARKING ZONE**

Drivers may drop off and pick up children during the times shown on the sign BUT note:

- Max. Stopping time is 2 minutes – your child must exit and enter the car within this time.
- Driver must remain within 3 METRES of the vehicle – you may get out to help with bags etc.
- Stop as close as possible to the top of the zone to allow access for vehicles following behind.

**Stopping ON OR ACROSS a driveway or other access point to and from a property.**

Not permitted under any circumstance, you must always consider the school’s neighbours by leaving space at their driveways to allow safe exit and entry to the roadway.

Travelling more than 40 km/hour through school zones may inhibit a car from stopping in time to avoid hitting a pedestrian. Parking illegally also creates serious risks as it limits the vision of other drivers. It only takes a split second for an accident to occur and only one car to present a danger to an unknown child. Some parents think that since they are parked illegally for only a brief time, that they are not doing anything wrong.

Please be aware and park safely outside your child’s school.

For more information regarding parking restriction around your school please contact Gosford Council’s Road Safety Officer on 4323 8172.
