Dear Parent/Caregiver

Thank you for your interest in the Young Achievers Program at Henry Kendall High School for 2016. The class has been established to cater for the needs of our high achieving students who are in Years 7 and 8.

Our aim is to enrich and extend the learning experience of our students in an atmosphere which challenges them to achieve quality outcomes while working both independently and in collaboration with teachers and other students.

If you would like your son/daughter to be considered for the Young Achievers Program in 2016 please complete the registration slip overleaf and attach it to supporting documents requested.

Supporting documents:
- Copy of the most recent NAPLAN test results
- Copy of the most recent school report
- Supporting statement from the current, or recent, class teacher on the attached form that will be faxed with the school stamp directly to HKHS on 4323 2685
- A handwritten statement by your son/daughter outlining why they would like to be in our Young Achievers Program, what they see as their strengths and special interests, and what makes learning exciting for them (maximum 300 words)
